No. 21. Read the following Proceedings of the Board of Revenue, dated 22nd November 1872, No. 7768 (Miscellaneous):—

Read the following letter from the President of the Local Fund Boards, Salem District, to the Secretary to the Board of Revenue, dated Salem, 6th November 1872, No. 643:—

With reference to the Order of Government dated the 10th ultimo, No. 1383 (Board's Miscellaneous No. 7133), I have the honour to state that the Choultries therein referred to are known as Orr's Choultries, because they were built during the Collectorship of Mr. John Orr between 1829 and 1838. They appear to have been built from funds provided for the construction of the admirable roads made in the district during Mr. Orr's incumbency. No endowment of any kind was ever made for these Choultries, and until lately nothing was spent on the repair of any of them.

2. The Soldiers' Sheds referred to were never built for the accommodation of troops or military men passing on duty. They are small buildings containing a single open hall, attached to each Travellers' Bungalow, intended for East Indian and inferior classes of European travellers. They are not Soldiers' Rest-house. There was, therefore, no necessity for making any reference to the Military Department.

Submitted to Government with reference to G. O. dated 10th October 1872, No. 1383.
