Read Budget Estimate of the Acting Inspector-General of Police, dated 29th October 1872.

No. 32. ORDER THEREON, 3rd December 1872, No. 1610.

The Budget Estimate of the Police Force for 1873-74 provides for receipts at Rupees 22,020 and charges at Rupees 37,11,124.

2. It appears, however, from the accounts furnished by the Accountant-General that the actual receipts during 1871-72 under IV., Police, Provincial, excluding contributions from Municipalities were Rupees 36,047, while they are entered in the Budget at Rupees 24,762. The difference between these two sums arises probably from credit being given in the Account Department to receipts which do not find a place in the accounts of the Inspector-General of Police. The Accountant-General will, in communication with the Inspector-General, report on the subject. In the meantime the Government are of opinion that the probable receipts in 1873-74 may safely be fixed at Rupees 30,000.

3. There is a difference also in the Statement of Charges for 1871-72. The Account Department give them at Rupees 33,94,579 and the Inspector-General of Police at Rupees 33,43,467. The Accountant-General will report on this point also.

4. Adopting the figures given by the Account Department the charges* proposed to be incurred during 1873-74 will exceed the actuals† for 1871-72 by Rupees 3,16,545 and the grant‡ for 1872-73 by Rupees 1,11,124.

The estimate for 1873-74 exceeds the actuals under the third and fifth heads by Rupees 2,39,290 and Rupees 58,417, respectively. The Governor in Council sees no sufficient reason for providing during 1873-74 for charges so much in excess of actual requirements. He resolves, therefore, without interfering with details to

fix the amount required during 1873-74 at Rupees 36,00,000, being the grant for the current year, which allows an ample margin for any excess of expenditure over the actuals* of 1871-72 and the estimate† based on the actuals‡ for five months of the current year.
