No. 38. Read the following Proceedings of the Board of Revenue, dated 19th November 1872, No. 2233:—

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 24th October 1872, No. 160:—

I HAVE the honour to forward, for early sanction, an estimate of Rupees 18,500 for gravelling 12 miles of the road from Vridachellum to Shatiatope. This road appears as Item No. 6, in Part I. of Statement II.-A. of the current year's original Budget of the Vridachellum Circle, with an allotment of Rupees 10,000. But owing to the difficulty of metalling this road near Porto-Novo, the Local Board, on the suggestion of the Superintending Engineer, transferred the sum of Rupees 8,500 (Item No. 3, in the original Budget,) to the road in question, thus increasing the grant to Rupees 18,500—(*vide* paragraph 2 of Mr Lister's letter, dated 4th July 1872, No. 85, embodied in Board's Proceedings, dated 12th September 1872, No. 1,812). As the year is far advanced, I have requested the Superintending Engineer to proceed with the work in anticipation of the estimate being sanctioned.

2. A copy of the Superintending Engineer's letter on the subject is also submitted for the Board's perusal.

ENCLOSURE No. 1.

From Colonel E. A. FOORD, R.E., Superintending Engineer, 5th Division, to the President of the Local Fund Boards, South Arcot, dated Cuddalore, 19th October 1872, No. 247.

I HAVE the honour to forward, for your approval and the sanction of the Board of Revenue, an estimate of Rupees 18,500 for gravelling 12 miles of the road from Vridachellum to Shatiatope. An estimate for this road was sent to me in July by the Range Officer, and returned to him with my countersignature, as I was under the impression that the amount having been sanctioned, the work could be proceeded with. The estimate provides for additional gravel to the first six miles, and gravelling for the first time miles seventh to tenth, and fifteenth and sixteenth. These miles are mostly high embankments of bad soil, and difficult to pass over in wet weather.

(True Copy.)

(Signed) H. E. SULLIVAN,
President of the Local Fund Boards.

ENCLOSURE No. 2.—Estimate.

THE estimate for gravelling 12 miles of the road from Vridachellum to Bowanagiri (on which Shatiatope is situated), at a cost of Rupees 18,500, will be submitted for the sanction of Government.

2. The road is a most important one.

3. If the estimate is sanctioned by Government, the required transfer of funds will be sanctioned.
