Proceedings of the Madras Government, Financial Department, 3rd December 1872.

No. 42. Read the following Proceedings of the Board of Revenue, dated 19th November 1872, No. 2234 :—

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot District, to the Secretary to the Board of Revenue, dated Cuddalore, 14th October 1872, No. 147:—

I HAVE the honour to acknowledge receipt of the Board's Proceedings, dated 12th ultimo, No. 1,812.

2. The estimate for the fifth item referred to in paragraph 3, will be submitted as soon as received from the Superintending Engineer. The estimate for the seventh item "Dispensary at Vridachellam" is delayed for want of a plan promised by the Inspector-General, Indian Medical Department, two months ago, but not yet received.

3. With reference to paragraph 11 of the Proceedings under reply, the Vice-President, Vridachellam Circle, reports as follows:—

"Government have already sanctioned an allotment of 15,000 Rupees for metalling this road; the supplemental budget *reduced* the grant to Rupees 10,800, and in proposing the reduction of an allotment it scarcely seemed essential to show the necessity of a work which had presumably been recognized when the larger grant was sanctioned; the road is a very important one with a great deal of traffic; it is a trunk road from Madras to the Travancore frontier, and in the Cuddalore Circle provision has been made this year for metalling it up to the boundary of the circle; the grant of Rupees 10,800 provides for continuing to metal it from this boundary up to Poodoochuttram, where the road from Porto Novo joins that from Chillambram."

There is no doubt as to the importance of the line, and under the circumstances above stated, I have the honour to re-transmit the estimate, and to request that sanction for the reduced grant may be accorded.

4. The information called for in paragraph 12 is given below :—

"The 270 Rupees required for furniture is to be spent as under—

	Rs.
Sri Mushnam	40
Tillavadangan...	54
Paroor	47
Boovenagherry	20
Komaratchy	60
Mannargudi	44
	265

"Rupees 300 were sanctioned for the purchase of maps in the original budget; a further grant is not necessary, and the item of 150 Rupees can be struck out of the supplemental budget.

"The Board have sanctioned the employment of a peon on 5 Rupees a month at Chillambram Dispensary; the 50 Rupees is entered to cover nine months' pay.

"The bungalow charges are as under:—

——	Sepoy.	Sweeper.	Cook.	Monthly total.
	Rs. A. P.	Rs. A. P.	Rs. A. P.	Rs. A. P.
Ammapett	2 12 9	3 0 0	3 8 0	9 4 9
Tiagardroog	... ...	3 0 0	... ...	3 0 0
Chinna Salem	2 12 9	2 0 0	... ...	4 12 9

"These establishments were made over to the Board with the bungalows.

—	Sepoy.	Sweeper.	Total.
	RS. A. P.	RS. A. P.	RS. A. P.
Kallacoorichy*	2 12 9	3 0 0	5 12 9
Contingent charges for four bungalows	... ...	... ...	4 0 0
			26 14 3
			12
	Annual expenditure...		322 11 0

* This is the only additional charge; this bungalow is next in importance to Ammapet, and a Sepoy and Sweeper are necessary.

"Kallacoorichy bungalow was made over to the Board with bare walls; Ammapett is the only bungalow which can in any way be considered furnished, and many things are wanted there; Rupees 400 is by no means an excessive grant to furnish four bungalows."
