No. 77. Read the following letter from the Sanitary Commissioner for Madras, to the Accountant-General, Fort St. George, dated Madras, 25th October 1872, No. 1557:—

I have the honour to submit, herewith, in duplicate, the Budget Estimate of my office for 1873-74.

2. It will be observed that the amount budgeted for is the same as that for 1872-73, inclusive of the supplementary budget for Rupees 2,000 for service postage labels, submitted with my letter, No. 1804, of 8th December 1871.

3. Rupees 2,100 will probably be required for the postal charges of my office, as explained in my letter above quoted. Only Rupees 31 had been expended on this account during 1871-72, as the new postal rules came into force only on the 1st January 1872. The greater distribution of my reports, blank forms of returns, registers, &c., which entails heavy postal charges as a rule, takes place in the latter end of the year.

4. The charge for printing has been expunged from my Budget Estimate agreeably to G. O., No. 574, of 18th October 1871.

Transferred to the Chief Secretary to Government, Fort St. George, with the original copy of the budget, the duplicate being retained here.

FORT ST. GEORGE,
ACCOUNTANT GENERAL'S OFFICE,
25th October 1872.

(Signed) F. LUSHINGTON,
Accountant-General.

No. 78. ORDER THEREON, 9th December 1872, No. 1649.

The Budget Estimate of charges of the Sanitary Commissioner for the year 1873-74 amounts to Rupees 35,468, against Rupees 32,829, the actuals for 1871-72, as stated by the Commissioner, and Rupees 33,468, the grant for 1872-73, passed in G. O., dated 20th November 1871, No. 650.

2. The actuals for 1871-72, as given in the accounts rendered by the Accountant-General, amount to Rupees 34,214, or Rupees 1,385 in excess of the amount entered in the estimate by the Sanitary Commissioner. To guard against similar differences, the Sanitary Commissioner will, in future, ascertain from the Accountant-General the precise expenditure incurred during each financial year, and insert it in his estimate.

3. The provision for service postage labels is Rupees 2,100, but, according to the Accountant-General's accounts, the expenditure during 1871-72 was Rupees 755. In the absence of any accurate data, the charge for 1873-74 will be fixed at Rupees 1,000.

4. The charge for telegrams will be reduced from Rupees 50 to Rupees 30, the actuals for 1871-72 not having exceeded Rupees 4. The office rent will be limited to the amount (Rupees 960) expended in 1871-72, and the charge for petty articles reduced to Rupees 142. The gross estimate of charges for 1873-74 will be fixed at Rupees 34,000.

From

The Sanitary Commissioner for Madras

To

The Accountant General
Fort St George

Sir

I have the honour, with reference to the notification in the Fort St George Gazette dated 24th October, page 1619, to forward herewith a Supplementary Budget Estimate for the year 1872/3 for Rupees 2000 as being the probable cost of Service Postage Labels that may be required for the use of my Office from January 1872, when it ceases to be a privileged one.

One Supplementary Budget Estimate for 1872/73.

2. I may state that I have based the requirement of my Office in this respect from data furnished to me by the Postmaster for the year 1870/71, during which period the postage charges on the Official documents despatched from my Office, amounted to nearly Rupees 1000. But as the Correspondence of my Office has now considerably increased, and as I have been directed to give wider circulation to the printed reports and monthly Proceedings &c. that are issued from my Office, I have therefore budgeted for Rupees 2000, as being the postal expenses

that may be incurred by my Office during the ensuing year. Besides I have to make long tours of inspections in the Districts, and when I do so, all the important papers received at the Head Office are forwarded to me and are sent back after disposal. This will increase the postal charges debited against my Office to a certain extent.

3. Under these circumstances, I trust that the Supplementary Estimate herewith forwarded may be sanctioned in its entirety.

4. I beg to state that the 2000 Rupees now budgeted for, is exclusive of the 100 Rs for Service Labels entered in the original estimate of my Office for 1872-73.

5. I have to explain that the delay in the submission of this estimate was caused by my not having any data on which to base the requirement. I referred to the Post Master General for information and his reply was received only this day.
