Proceedings of the Madras Government, Financial Department,
19th February 1872.

No. 81. Read the following Proceedings of the Board of Revenue, dated 8th January 1872, No. 53:—

Read the following Proceedings of the Madras Government, dated 13th December 1871, No. 2,102, Revenue Department:—

ABSTRACT.—*Public Bungalows in Madras Presidency.*—Board's proposed expenditure for repairs, establishment, and contingent charges, in connection with them for the current year, sanctioned.

COMMUNICATED to all Collectors.

2. The attention of the Collectors is called to paragraph 2 of the order, and they are requested, in communication with the Local Fund Boards, and, if necessary, Municipal Commission, to submit proposals for the transfer to them of all Public Bungalows which are available for, and useful to, travellers, and which the bodies in question will consent to take. It will be observed that at the end of the current year the whole Fund will be almost exhausted, and unless either the local Boards or the local officials take charge of the Bungalows they must be closed, and, if possible, sold.

3. From paragraphs 3 and 4 of the order, the Collectors of Bellary and South Canara will learn that the Bungalows at Pennacondah and Kundapur are to be transferred to the list of "Civil Buildings," and that the charges and receipts from rent are to be accounted for under "Provincial."

4. An estimate, amounting to Rupees 1,850, for the improvement of the Kundapur Bungalow is now before the Board, and will be submitted to Government in separate Proceedings.

5. With their Proceedings, dated 21st March 1871, No. 1,225, the Board returned the two plans and an estimate for the improvement to the Pennacondah Bungalow, in view to their being countersigned by the Collector and Superintending Engineer, and suggested that one instead of two plans might be prepared, showing the building as it stands at present and the proposed additions in distinguishing colours. They do not appear to have been returned to the Board. The Collector will expedite their re-submission.

6. With reference to paragraph 6 of the order, the Kavali Bungalow work in the Nellore District has been transferred to Part II. of the Budget.

7. The following is an abstract of the receipts and charges of the Bungalow Fund:—

PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th January 1872.

Read the following Proceedings of the Madras Government, dated 13th December 1871, No. 2,102, Revenue Department:—

ABSTRACT.—*Public Bungalows in Madras Presidency.*—Board's proposed expenditure for repairs, establishment, and contingent charges, in connection with them for the current year, sanctioned.

COMMUNICATED to all Collectors.

2. The attention of the Collectors is called to paragraph 2 of the order, and they are requested, in communication with the Local Fund Boards, and, if necessary, Municipal Commission, to submit proposals for the transfer to them of all Public Bungalows which are available for, and useful to, travellers, and which the bodies in question will consent to take. It will be observed that at the end of the current year the whole Fund will be almost exhausted, and unless either the local Boards or the local officials take charge of the Bungalows they must be closed, and, if possible, sold.

3. From paragraphs 3 and 4 of the order, the Collectors of Bellary and South Canara will learn that the Bungalows at Pennacondah and Kundapur are to be transferred to the list of "Civil Buildings," and that the charges and receipts from rent are to be accounted for under "Provincial."

4. An estimate, amounting to Rupees 1,850, for the improvement of the Kundapur Bungalow is now before the Board, and will be submitted to Government in separate Proceedings.

5. With their Proceedings, dated 21st March 1871, No. 1,225, the Board returned the two plans and an estimate for the improvement to the Pennacondah Bungalow, in view to their being countersigned by the Collector and Superintending Engineer, and suggested that one instead of two plans might be prepared, showing the building as it stands at present and the proposed additions in distinguishing colours. They do not appear to have been returned to the Board. The Collector will expedite their re-submission.

6. With reference to paragraph 6 of the order, the Kavali Bungalow work in the Nellore District has been transferred to Part II. of the Budget.
