Read the following papers:—

No. 94. From the Inspector-General of Hospitals, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 31st January 1872, No. 31.

I have the honour, with reference to Proceedings of Government marginally noted, to bring to the notice of Government that inconvenience has been felt by Invaliding Committees in carrying out the instructions therein contained from the want of regular forms of Proceedings exhibiting the antecedents, &c., of the applicants, and their medical history during their service in the Police.

No. 235, dated 16th June 1871.

„ 335, „ 16th Aug. „

2. I have, therefore, to recommend that the form of Proceedings now in use in the Native Army, modified as indicated in the enclosed draft, be adopted, and that Inspectors of Police be instructed to fill in the columns set apart for purely departmental information.

3. It will also be of advantage to furnish to Invaliding Committees a Return giving the medical history of each applicant; and, for this object, the Form No. 20, page 194, volume II., Medical Code, could be adopted.

4. Should no Medical Officer or Subordinate be present at the station from which the applicant proceeds to appear before the Committee, he should be directed to report himself to the Civil Surgeon of the head-quarter station at least one week prior to the assembly of the Committee there, to enable that Officer to fill in the Return.

5. I have also the honour to recommend that the foregoing be introduced in the Medical Code as Rules relating to the Police.
