No. 102. Read the following letter from the President of the Municipal Commission, Bellary, to the Chief Secretary to Government, Fort St. George, dated Kamalapur, 10th January 1872, No. 5 :—

The Vice-President of the Bellary Municipal Commission has requested me to obtain the sanction of the Government to the following bye-law :—

"Owners of any horse, pony, donkey, cow, goat, or other animal found straying from sunset to sunrise within municipal limits shall be liable to a fine not exceeding 5 Rupees."

2. It is the custom to turn animals, particularly donkeys, loose at nightfall, and the nuisance is especially felt by residents in the cantonment, whose rest is disturbed, and whose gardens are damaged.

The usual mode of redress in the case of straying animals is to pound them, but in this case this is impracticable.

The damage is always committed during the night, and the animals will seldom suffer themselves to be caught.

3. I have the honour to request that the Government will sanction the publication of the bye-law.

No. 103. ORDER THEREON, 28th February 1872, No. 194.

The Government defer sanctioning the proposed bye-law until it has been ascertained whether the provisions of the Penal Code as to mischief, apply.
