Read again Board's Proceedings, dated 20th December 1871, No. 5,096.

Read also the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 15th January 1872, No. 7.

In reply to the Proceedings of the Board of Revenue, No. 5,096, of the 20th December last, I have the honour to inform the Board that the necessity for metalling the road from Pondicherry to Villapooram was prominently brought to the notice of the Local Fund Board by the Executive Engineer within whose range it is situated, and that, although I have not yet traversed the road myself, I was informed by the Superintendent of Police that it was in such bad order about a month ago that it took him upwards of three hours to traverse seven miles of it. This I believe was after rain. I hope soon to be able to traverse this route myself, and will then report more fully on it if the Board wish. Meanwhile, I may remark that it is an important line of communication, being the principal road by which the ryots of the Villapooram Taluq can carry their produce to the market of Pondicherry.

From the same Officer, dated Chengamah, 23rd January 1872, No. 25.

ABSTRACT.—Re-submitting the estimate for metalling the road from Villapooram to Pondicherry.

THE estimate for re-metalling portions of the road from Villapooram to Pondicherry, at a cost of Rupees 10,000, will be submitted for the sanction of Government.

2. The road is an important one, and the necessity of the work is clearly shown.

Proceedings of the Madras Government, Financial Department,
