No. 24. Read the following Proceedings of the Board of Revenue, dated 22nd February 1872, No. 1338 (Miscellaneous):—

Read the following letter from the Acting President of the Local Fund Board, Canara Circle, to the Secretary to the Board of Revenue, dated Mangalore, 5th February 1872, No. 31.

I have the honour to submit, for the sanction of the Board of Revenue, a plan and estimate, amounting to Rupees 1,100, for certain repairs required to one* of the masonry bridges on the road below the Manzerabad Ghaut which sustained a serious injury in June last, resulting in the partial collapse of the bridge. A copy of the Range Officer's letter to the Superintending Engineer, dated 3rd July last, No. 53, specifyng the nature of the damage sustained by the bridge, is enclosed.

* Golithattoo Bridge, at the 42nd mile on the road from Manzerabad Ghaut to Mani *via* Uppanangady.

2. The repairs in question are emergent, and should be undertaken at once to prevent any obstruction to the traffic, which is now very active on the line.

3. As the Road Fund reserve of the current year has been almost wholly distributed, and the unallotted balance is too small to meet the cost of the present work, the Local Fund Board have resolved to appropriate the amount required from the allotment of Rupees 4,170† provided in the current year's budget for widening the Kumbla and Perdal road, out of which the Acting Superintending Engineer states that a surplus of Rupees 1,274 is available for immediate transfer to other works, the road having been widened for Rupees 1,274 less than the amount of the estimate sanctioned in G. O., 24th February 1870, No. 287. I have, therefore, the honour to request that the proposed transfer may be sanctioned at an early date, the balance of the above surplus, Rupees 174, being transferred to the Reserve.

† Item No. 8, Part I., Road Fund Budget.

4. A copy of the Proceedings of the Local Fund Board passing the estimate for the work, which is to be carried out by the Public Works Department, is appended.

The estimate for repairing a bridge at a cost of Rupees 1,100 is passed, and the proposed transfer of that amount from the allotment for widening the Kumbla and Perdal road is sanctioned, subject to the consent of Government.

2. The remaining Rupees 174, saved out of the allotment for the latter work, will be transferred to the Reserve.
