Proceedings of the Madras Government, Financial Department,
5th March 1872.

No. 32. Read the following letter from the Member and Secretary of the Lawrence Male Asylum Commission, to the Chief Secretary to Government, Fort St. George, dated Madras, 17th February 1872, No. 170 :—

I have the honour to bring to your notice, for such orders as His Excellency the Governor in Council may be pleased to pass, that, under paragraph 24 of the Government Orders dated 22nd September 1871, No. 272, the interest of the endowments of the Male Military Orphan Asylum is now forwarded by the Governors to the Principal of the Lawrence Ootacamund Asylum, and that the Bank charges one per cent. on such remissions. On the last quarterly remittance there was a loss of 94 per cent.

2. As these funds are in reality remitted for Government purposes, and the premium which the Bank draws is so much money lost to Government, it is possible that His Excellency the Governor would order the remittances to be made on the public service.

Referred to the Accountant-General for report.
