Proceedings of the Madras Government, Financial Department, 5th March 1872.

No. 34. Read the following Proceedings of the Board of Revenue, dated 15th February 1872, No. 1134 (Miscellaneous):—

Read the following letter from the Collector and President of the Municipal Commissions and Local Fund Boards, Tinnevelly, to the Secretary to the Board of Revenue, dated————, No. 4:—

With reference to paragraph 10 of Government Proceedings, No. 762, dated 9th December, reviewing the Local Fund Budget of the Tinnevelly Circle for 1871-72, I have the honour to inform you that the Palamcottah and Tinnevelly Dispensaries were formally made over to their respective Municipalities on the 15th November 1871 under the impression that the instructions conveyed in the Government Proceedings, No. 440, dated 8th September 1871, were final. The Notification now required will be published nevertheless. The Tuticorin Dispensary has always been *bonâ fide* the property of the Municipality, and there is nothing there to make over.

2. The contribution of 500 Rupees from Local Funds for the Medical Officer at Tuticorin is in connexion with the dispensary, and is made with reference to G. O., 16th June 1871, No. 860; but I regret to say that, though application has been made to the Inspector-General of Hospitals, no Medical Officer has yet been appointed.

3. The notification of the transfer of certain chuttrums to the Local Fund Board will be made at once. The term "private chuttrum" was used to distinguish those chuttrums under private management which have from time to time been made over with their endowments for up-keep by the Collector, as distinguished from Government chuttrums, those built or resumed by Government.

4. The Edeyengoody Dispensary, referred to in paragraph 13, is the property of the Mission, and the grant allotted is for medicines and establishment.

5. The Nanguneri Dispensary is merely projected from the funds of the Tirukarangudi Chuttrum, and can stand over for the present.

6. Three hundred Rupees have been paid to the Nazareth Mission Dispensary as a grant-in-aid from the Palamcottah Lungerkhana this year. Provision has been made in the Budget of 1872-73 for a grant-in-aid of 500 Rupees from Local Funds for this very useful institution.

No. 35. ORDER THEREON, 5th March 1872, No. 227.

The Government await report of the publication of the notice regarding the Municipal Dispensaries. They are not in possession of clear and complete information regarding the Tuticorin Dispensary and the appointment of a Medical Officer for it.

2. If the so-called private chuttrums are private trusts, *i. e.*, if rights of management are enjoyed or assigned by private persons, the procedure described

in Sections 10 and 11 of Act IV. of 1871 is, in the opinion of Government, inapplicable. The consent of the persons entitled to exercise rights or control over the endowments ought to be obtained to their transfer to the local Boards.
