*Proceedings of the Madras Government, Financial Department,
5th March 1872.*

No. 36. Read the following letter from the President of the Local Fund Board, Godavery District, to the Chief Secretary to Government, Fort St. George, dated 8th January 1872, No. 1:—

With reference to a letter, No. 3062, dated 30th ultimo, from the Superintending Engineer, to the Secretary to Government in the Public Works Department, I beg to enclose copy of a letter I have this day written to the Vice-President of the Local Fund Board, Rajahmundry Circle, and to request that the Government will be pleased to defer acting on Colonel Fischer's recommendation, pending the receipt of further information on the subject which I shall do myself the honour of submitting with an expression of my opinion.

From the President of the Local Fund Board, Godavery District, to the Vice-President of the Local Fund Board, Rajahmundry Circle, dated 8th January 1872, No. 1.

With reference to the Superintending Engineer's letter to Government, dated 30th ultimo, No. 3062, copy of which I observe has been furnished to you, I have the honour to request that you will, after communication with the Head Assistant Collector and the other Members of your Circle Board, favour me with your opinion as to the expediency of postponing *sine die* the construction of the road from Ellore to Gondagole as proposed by Colonel Fischer.

2. I beg to call your particular attention to the statement contained in paragraph 3 of the Superintending Engineer's letter that the road in question will only "benefit four or five villages and cannot be economically extended in any direction."

3. It is to be regretted that Colonel Fischer, before recommending to Government the abandonment of a project which was sanctioned on the recommendation of the Local Board supported by the Board of Revenue, did not submit his views at the meeting held at Rajahmundry on the 5th instant, when the subject in all its bearings might have been submitted for the re-consideration of the Members of the Local Fund Board.

4. I shall feel obliged by your favouring me with an early reply, as it is my intention to request the Government to defer taking action on Colonel Fischer's recommendation pending receipt of further information on the subject from you.
