Proceedings of the Madras Government, Financial Department,
6th March 1872.

No. 45. Read the following Proceedings of the Board of Revenue, dated 29th February 1872, No. 1527 (Miscellaneous) :—

Read letter from the President of the Local Fund Boards, South Arcot, dated 15th December 1871, No. 117.

Read also the following letter from the President of the Local Fund Boards, South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 7th December 1871, No. 108 :—

I have the honour to submit, for the sanction of the Revenue Board, an emergent estimate for the repair of the road from Gingee to Chaitputt, which has been considerably damaged by the late heavy rains. The other estimates contained in the list herewith sent, being all for works costing below 1,000 Rupees, will be laid before the Local Fund Board at their next meeting. As these are emergent works, I have requested the Superintending Engineer of the Division, under Rule XLII. of the Local Fund Rules, to carry out the needful repairs in anticipation of the requisite sanction from the Revenue and Local Fund Boards.

2. No reserve, however, has been provided for in the current year's budget; nor is there any balance from which the necessary funds for carrying out these works can be appropriated; for the estimated balance, Rupees 6,250, has only been arrived at, after taking credit for 10,000 Rupees as receipts from tolls, and as there is very little probability of tolls being instituted, and a revenue realized from them within the current year, the balance vanishes. Necessary funds can, therefore, be obtained by transfer only, and I have suggested to the Superintending Engineer that 5,000 Rupees out of the 10,000 Rupees lately allotted for remetalling the road from Cuddalore to the Salem frontier *via* Punrootty may be transferred to these works as the whole allotment is not likely to be spent before the end of this official year.

3. I have the honour to request the Board's sanction for the transfer.

The estimate for repairing the road from Gingee to Chaitputt, at a cost of Rupees 2,250, is sanctioned.

2. The sanction of Government is requested for the transfer of the sum of Rupees 3,440 from the allotment of Rupees 10,000 for the remetalling of the road from Cuddalore to the Salem frontier, which appears as Item No. 9 in Part I. of the current revised Road Fund Budget of the Cuddalore Circle.
