Proceedings of the Madras Government, Financial Department, 6th March 1872.

No. 47. Read the following Proceedings of the Board of Revenue, dated 11th January 1872, No. 94:—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, to the Secretary to the Board of Revenue, dated Nellore, 11th December 1871, No. 81:—

ADVERTING to paragraph 4 of Government Order, Educational Department, dated 18th October 1871, No. 314, I have the honour to state that, contrary to the opinions therewith recorded of the Director of Public Instruction, and the Acting Inspector of Schools, Mr. Boyle, the Local Fund Board are satisfied that no time should be lost in entertaining an additional Deputy Inspector with the usual establishments and a fourth Inspecting Schoolmaster to the staff of this district.

2. The Local Fund Board are unable to accept either the premises or the conclusions stated by the Acting Inspector of Schools, which, it is to be presumed, influenced the decision of the Director of Public Instruction to the effect that it was unnecessary at present to increase the Inspecting agency in Nellore.

3. In a letter addressed to me by the Deputy-Inspector of Schools on the 8th September last, the following passage occurs:—"Appointment of an additional Deputy-Inspector and an "Inspecting Schoolmaster. Of the nine Taluqs in the District, six are under inspection, viz., "Ongole, Kandukur, Kavali, Gudur, Atmakur, and Nellore. The number of Vernacular lower "Class Schools under inspection in these taluqs is about 250, and the probable number not under "inspection in the nine taluqs 270 (according to the information I possess) amounting altogether "to 520. The number of Anglo-Vernacular schools, aided under the salary grant system is 13, "thus making a total of 533; of the 520 Elementary schools, 150 are prepared to receive aid "under the Results system, 100 under improvement and preparation for the same, and 270 "without inspection. These 270 have not been brought under inspection owing to the insuffi-"ciency of inspecting agency. I and the three Inspecting Schoolmasters are fully occupied "with the 250 schools under inspection referred to above. The number of schools visited last "year is 151 and the number of days spent on circuit 226, which is about the average time spent "on it by an Inspecting Officer. If the 520 lower class Schools, and new ones that may be "opened are all to be brought under inspection, improved and examined, as they should eventu-"ally be, it would be impossible for one Deputy-Inspector and three Inspecting Schoolmasters "to do this enormous work. Under these circumstances, I think it necessary that an additional "Deputy-Inspector, and an Inspecting Schoolmaster should be appointed. The former may be "engaged on a monthly salary of Rupees 70, and the latter of Rupees 20 at the outset."

4. These being the facts, the Local Fund Board at their last meeting passed an unanimous resolution in favour of the appointment of the additional agency above mentioned.

5. The resolution was passed in the terms of the Deputy-Inspector's recommendation and provided for a Deputy-Inspector on Rupees 70 per mensem, but I observe that, in the Government Order under notice, the Government have apparently accepted Mr. Powell's recommendation in paragraph 4 of his letter that these officers should not be paid less than Rupees 100 per mensem. When Mr. Powell writes "maximum pay" in the first line of that paragraph, I presume he meant "minimum pay."

6. Calculating therefore at this rate, instead of at Rupees 70, the estimated charges for which I request the Board of Revenue to obtain the sanction of Government, will be as follows:—

	Rs.	A.	P.
Deputy-Inspector at ⅔ of Rupees 100... ...	800	0	0
Travelling Allowance	400	0	0
Clerk	180	0	0
Peon...	60	0	0
	1,440	0	0
Inspecting Schoolmaster	240	0	0
	1,680	0	0

Proceedings of the Madras Government, Financial Department,
6th March 1872.

THE Board resolve to recommend Government to sanction the appointment of the additional Deputy-Inspector and Inspecting Schoolmaster whom the Nellore Circle wish to entertain. Taking into account the office allowance and batta of the Schoolmaster the cost will be Rupees 2,140.

No. 48. ORDER THEREON, 6th March 1872, No. 241.

The proposals of the Local Fund Board are sanctioned.

2. It is observed that the provision in the Budget for 1872-73 will suffice for two Deputy Inspectors and three Inspecting Schoolmasters. Funds will, however, without doubt be available for the entertainment of the fourth Inspecting Schoolmaster now proposed.
