*Proceedings of the Madras Government, Financial Department,*
*6th March* 1872.

No. 61. Read the following Proceedings of the Board of Revenue, dated 9th February 1872, No. 290 :—

Read the following letter from W. McQUHAE, Esq., President, Local Fund Board, Madura, to the Secretary to the Board of Revenue, dated Periacolam, 10th January 1872, No. 6 :—

THE Zemindarni of Shivagungah having discontinued the three Vaccinators hitherto employed by her in the Zemindari, in consequence of her financial embarrassment, the Local Fund Board of the Madura Circle at their last meeting sanctioned the re-entertainment of the three Vaccinators at a monthly cost of 38 Rupees. I have the honour, therefore, to request the Board to be good enough to allot Rupees 114 out of the unappropriated balance of the current year to enable me to meet the cost of these extra Vaccinators during the unexpired portion (three months) of the year.

2. The necessary provision for the pay of these Vaccinators, as well as for those employed in Ramnad, was made in the revised budget submitted by me, but the Government disallowed this amount when reviewing the Local Fund Budget of the Circle—*vide* paragraph 4 of Government Order, dated 21st October 1871, No. 593, Financial Department.

3. The Superintendent-General of Vaccination reports that small-pox prevails to a great extent in the Shivagungah and Ramnad Zemindaris, and suggests that the Vaccinators should at once be re-entertained so as to arrest the spread of the disease.

---

THE proposal to entertain three Vaccinators will be submitted to Government, subject to whose orders the allotment is sanctioned.
