No. 65. Read the following Proceedings of the Board of Revenue, dated 5th February 1872:—

Read the following letters:—

From the President, Local Fund Board, Canara Circle, dated 4th October 1871, No. 48.

ABSTRACT.—Submitting, for sanction, a revised Budget of Local Funds, for the current official year 1871-72, in consequence of certain alterations rendered necessary in the Educational portion of the Budget, and requesting that the same may be substituted for that previously forwarded.

From the Director of Public Instruction, dated 1st December 1871, No. 2,179.

ABSTRACT.—Submitting remarks on the revised Educational Budget provision for the South Canara Circle for 1871-72.

From the President, Local Fund Board, Canara Circle, 28th December 1871, No. 118.

ABSTRACT.—Requesting sanction for the substitution of the revised Local Fund Budget, submitted on 4th October last, for the one printed and circulated with Board's Proceedings, dated 4th December 1871, No. 4,920, and furnishing certain

notification prescribing the limits of ten of the School Unions.

From the same Officer, dated 24th January 1872, No. 17.

ABSTRACT.—Forwarding draft notification specifying the limits of fifteen Educational Unions within which it is proposed to levy house-tax.

THE revised budget of the Canara Circle will now be submitted for the sanction of Government. The necessity for dealing with all the budgets of 1872-73 before the end of January has prevented the Board from reviewing it sooner.

2. The revision is a consequence of the ruling of Government, which was unknown when the original budget was prepared, that grants will be continued to rate schools. This increases the Union Fund by Rupees 2,500. On the one hand the Director points out that the grants are over-rated in certain schools, but on the other hand he points out that no grants are entered for the schools at Kandapur, Basrur, Gingoli, Navanu, and Mudugrama. The Board have entered trifling grants opposite to these schools to draw attention to them and have kept the total at the amount estimated by the Circle Board.

3. The Director shows that the provision for educational inspection in the sanctioned budget is insufficient, and the opportunity has been taken of raising it.

4. The accession to the Union Fund has enabled the Circle Board to devote larger sums to the building of schools at Mulki, Bantwal, and Mudbidry and to the charges of the schools at Mulki, Bantwal, Mudbidry, and Manjeswara.

5. The alterations proposed are shown in a corrected copy of the printed budget which is submitted with these Proceedings.

6. The draft notification regarding the limits of the twenty-five Unions which are forwarded with the President's second and third letters seem to be unobjectionable and will be submitted for the orders of Government.

7. With regard to the difficulty noticed in paragraph 11 of the Director's letter the Board remark that the Local Fund is answerable for results grants due to lower class schools, even if the schools are made Union Schools after the grants are sanctioned. There will be sufficient funds in Canara.
