Proceedings of the Madras Government, Financial Department,
7th *March* 1872.

No. 73. Read the following Proceedings of the Board of Revenue, dated 7th February 1872, No. 279 :—

Read again Board's Proceedings, dated 15th December 1871, No. 5,048.

Read the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 6th October 1871, No. 53 :—

ABSTRACT.—Requesting to make some modification in the proposals submitted by the Board to Government in Proceedings, No. 3980, of 15th September 1871, regarding Local Fund Establishments.

The Board do not think that the facts that three Clerks have already been entertained, and that their salaries are provided for in the Budget, are sufficient to necessitate exceptional arrangements in the Cuddalore Circle for the current year. In a subsequent letter, 20th October 1871, No. 55, the President submits that the Local Board are strongly in favour of this arrangement, but only because the establishment has been already engaged.

2. The cost of the Circle Office Establishment must be reduced to Rupees 57 a month from the 1st January.

3. The Board will request Government to sanction the permanent modifications proposed by the President if he is satisfied *from actual experience* that they are necessary, but it is quite possible that further changes will be needed (*vide* Government Order, 29th September 1871, No. 504), and time must be taken to observe the working of the Act in Circle Board and Treasury Offices, before these can be proposed with confidence.

Read also the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot, to the Secretary to the Board of Revenue dated Cuddalore, 9th January 1872, No. 4 :—

ABSTRACT.—Requesting sanction for a larger establishment for the President of the Local Fund Boards, South Arcot.

IT has not escaped notice that the President (like most other Presidents) has to attend to the transactions of two circles, but no extra aid has been applied for on this account elsewhere.

2. The Board resolve, however, to recommend Government to sanction the employment of one new Local Fund Clerk in the Collector's Office at Rupees 25 a month. The cost will be divided rateably between the two circles. The necessity of a second Clerk in the Deputy Collector's Department is not proved, and the Board desire that the Collector will detail the work for which two Clerks are required after another month's experience if he still thinks that a second Clerk is really wanted.

3. The existing staff of Peons and Attenders is sufficient.
