*Proceedings of the Madras Government, Financial Department,*
*9th March* 1872.

No. 91. Read the following Proceedings of the Board of Revenue, dated 10th February 1872, No. 1039 (Miscellaneous):—

Read the following papers:—

From the Collector of the Chingleput District, to the Secretary to the Board of Revenue, dated Sydapet, 18th January 1872, No. 20.

With advertence to the enclosed Proceedings of the Sydapet Circle Board, I have the honour to request that the Government may be moved to issue a fresh Notification, under Section 36, Act. IV. of 1871, in lieu of that issued with the Government Order, under date 4th September 1871, No. 425, to enable me to have the toll now established at the Cortelliar Causeway removed to the Panangado Backwater, close to the Nellore frontier.

2. As it had come to notice that the Cortelliar toll was largely evaded, owing to the facility with which carts could cross the river at other places, by making a slight detour, the Assistant Collector was requested to inquire and report on the subject. Mr. Farmer, after inquiry on the spot, suggested that the toll should be removed to a point south of that from which the detours from the main road were made.

3. Mr. Farmer's letter was laid before the Circle Board; but, as they were not of opinion that his proposal would effect the object desired, they determined to transfer the toll to the place indicated in their Resolution, where, they were assured, the natural features of the locality would effectually prevent any evasion of toll.

---

From the Collector of the Chingleput District, to the Secretary to the Board of Revenue, dated Sydapet 25th January 1872, No. 42.

As directed in the Board's Official Memorandum, No. 123, of the 22nd instant, I have the honour to forward a copy of the draft Notification for the levy of tolls on the Northern Trunk Road at the Panangado Backwater instead of the Cortelliar Causeway in the Sydapet Circle.

---

The Notification will be submitted for the sanction of Government.

Its effect will be to move the toll-bar established in accordance with Government Order, 4th September 1871, No. 425, to a better situation.
