Proceedings of the Madras Government, Financial Department,
11*th March* 1872.

No. 107. Read the following letter from H. W. BLISS, Esq., Vice-President of the Municipal Commission, Dindigul, to the Officiating Chief Secretary to Government, Fort St. George, dated Dindigul, 1st March 1872, No. 65:—

In anticipation of Government Orders on the Municipal Budget generally, I have the honour to request that I may be informed whether they have yet decided whether the Municipal Commissioners of Dindigul will be permitted to levy tolls during the ensuing official year, and if so, at what rates. This information is urgently required to enable the Commissioners to make arrangements for the collection of tolls, if sanctioned, from the 1st April. I, therefore, venture to trouble Government with a special reference, which I make direct as the Acting President is now in the Ramnad Zemindari, and it would cause considerable delay to follow the usual course of communicating with Government only through his office.

No. 108. ORDER THEREON, 11th March 1872, No. 288.

In the orders which will issue on the Dindigul Local and Municipal Budgets for 1872-73 the proposal to levy full rates of toll will be disallowed.

2. The matter was not so urgent as to warrant Mr. Bliss in making a direct reference to Government.
