No. 21. Read the following letter from the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 13th December 1871, No. 400:—

With reference to paragraph 23 of G. O., No. 711, of 28th November 1871, I have the honour to submit, for the information of Government, that no Local Fund Budget Estimates from the Bellary Collectorate, for the current year, have been received into this office, with the exception of that for the Bellary Circle. In this there are only the two Dispensaries marginally noted, and as the former is to be maintained entirely by the Municipality, and the provision made for the latter by the Local Fund Board seemed sufficient, I did not deem it necessary to offer any remarks on the estimate.

Bellary and Hospett.

2. With regard to paragraph 15 of the G. O. under reference, I beg to annex a statement of the cost, in round numbers, of the Dispensaries at Gooty, Anantapur, and Adoni during 1870, and of the amount of funded capital at the credit of each of the institutions on the 31st December 1870. The Dispensary at Anantapur is in charge of the Hospital Assistant attached to the Police Hospital of the station, and his salary, therefore, will form no charge on the revenues of the Dispensary.
