Proceedings of the Madras Government, Financial Department,
18th March 1872.

Read the following papers:—

No. 152. From the Acting Collector of the Kistna District, to the Chief Secretary to Government, Fort St. George, dated Masulipatam, 31st January 1872, No. 669.

I have the honour to request that Government will be good enough to sanction a sum of Rupees 600 for the purpose of making the necessary arrangements for the approaching festivals in this district. A similar sum was sanctioned last year, and the actual expenditure incurred amounted to Rupees 413-13-9. I anticipate a larger outlay this year, as it is apprehended that the tanks and wells in the hilly regions may fail, the Deputy Collector at Vinukonda having reported that those at Kotappa Konda have already dried up.

2. I have addressed the two Local Funds Boards in the district with reference to paragraph 3 of G. O., No. 769, of 5th June 1871, Public Department, and requested them to inform me if they are in a position to provide for sanitation at fairs and festivals.

No. 153. From the Acting Collector of the Kistna District, to the Officiating Chief Secretary to Government, Fort St. George, dated Masulipatam, 4th March 1872, No. 852.

In continuation of this Office No. 669, dated 31st January 1872, I have the honour to inform the Government that the Local Fund Boards of this District have intimated to me that they are in a position to provide for expenditure required for sanitary purposes during fairs and festivals.

2. The Masulipatam Circle Board propose this year to incur the expenditure from "Rupees 1,000 sanitary establishment and cleansing of tanks and wells" (*d*) under Grant III., I-B, of the budget.

3. The Guntoor Circle Board also have resolved to meet the expenditure from a similar source in their budget, viz., Rupees 1,500.

No. 154. ORDER THEREON, 18th March 1872, No. 329.

The Government sanction the expenditure of a sum not exceeding Rupees (600) six hundred to ensure efficient conservancy at the fairs and festivals in the Kistna District.

2. The charge will be met from Local Funds, as proposed in the second of the letters above recorded.
