Read—

Observations of the Public Works Department, No. 930-A—G, dated 7th December 1871, on a letter from the Chief Commissioner of British Burmah, in which it is brought to notice that, under the present provincial system, the Jail Department is thrown entirely upon its own resources, and that, for this and other reasons, it is desirable that the full value of all convict labour employed on Imperial, Provincial, and Local Works should be charged against those works, and credited to the Jail Funds.

RESOLUTION.—The Governor-General in Council is pleased to direct that, whenever convicts are employed on Public Works, the Public Works Department shall pay for their services the full market value of the labour done by them.

Ordered that a copy of the foregoing Resolution be forwarded to the Home and the Public Works Departments, the Comptroller-General, and the Accountants-General, and Deputy Accountants-General in independent charge.
