No. 252. Read the following Proceedings of the Board of Revenue, dated 10th February 1872, No. 1061 (Miscellaneous):—

Read the following letter from the President of the Local Fund Board, Nellore, to the Secretary to the Board of Revenue, dated Nellore, 20th January 1872, No. 27 :—

With reference to paragraph 7 of my letter, No. 82, of 8th December 1871, I have the honour to report on the remaining five Anglo-Vernacular Rate Schools to be summarily formed into unions, viz, Kaligiri, China Annalur, Kullur, Rapur, and Gudur.

2. As before, the work has been entrusted to the Officiating Deputy Collector and care has been taken to include in each union only villages within the prescribed distance of 2½ miles from the site of the school-house. The physical features of the country and the social condition and wishes of the people have, of course, been duly considered.

3. Circumstances have rendered it impossible to observe a uniform system of classification with regard to these five unions. In Kaligiri, after deducting those buildings which it has been decided to exempt from the tax, 373 houses have been classified. Of these eight are reported to have tiled roofs; but, as in parts of this district the materials of the roof frequently afford little or no criterion of the circumstances of the occupants of houses, no difference has been made between them and the thatched houses, and the following classification has been made:—

203	houses from	5 to 10 Ankanams	in the	5th Class.
78	,,	10 to 15	,,	4th ,,
64	,,	15 to 25	,,	3rd ,,
28	,,	above 25	,,	2nd ,,
Total... 373				

No house has been brought under the first class, as the owners of those which ought strictly to have been so, were found to be ill-able to afford to pay the higher rate. The union is bounded on the

North by the southern limits of Ravulakollu, Yepinapi, and China Annalur.
East by the western boundaries of Pedda Kodur.
South by the northern limits of Veligapadu Pedda Annalur, Venkanapalem, and Gudipadu.
West by the eastern limits of Viranakollu and Vinjamur, and embraces the villages of Kaligiri and Nagasamudram with their respective hamlets with an area of twenty-five square miles.

4. In China Annalur 525 houses have been rated, viz.:—

281	from	5 to 10 Ankanams	in the	6th Class.
128	,,	10 to 15	,,	5th ,,
58	,,	15 to 20	,,	4th ,,
35	,,	20 to 25	,,	3rd ,,
10	,,	25 to 30	,,	2nd ,,
13	,,	above 30	,,	1st ,,

It comprises the villages of China Annalur and its thirteen hamlets and Tallapadu, with an area of forty-two square miles, and is bounded on the north by the southern boundaries Sethpalliem, Tangalapalli, and Ganigapenta.

East by the western boundaries of Dabugunta, Kommi, and Kakutur.

South by the northern limits of Yepinapi Ravulakollu, Kaligiri, Viranakollu, and Vinjamur.

West by the eastern boundaries of Ramapudu and Kotipalli.

5. In the remaining three unions tiled houses have been taken into consideration, and the following classification has been made:—

In Rapur—

90	houses from	5 to 10	Ankanams	thatched	in the 5th Class.		
69	,,	10 to 15	,,	thatched	,,	4th	,,
		5 to 10	,,	tiled			
36	,,	15 to 20	,,	thatched	,,	3rd	,,
28	,,	20 to 30		,,	,,	2nd	,,
17	,,	above 30	,,	,,	,,	1st	,,
		,, 20	,,	tiled			
Total... 240							

The union comprises the villages of Rapur and its four hamlets, Koturpadu, and Bandapulli, measuring eighteen square miles, and is bounded on the north by the southern boundaries of Yepuru Gundavolu, Nilapalli, and Potukonda.

East—Western limits of Puligalapadu, Bozzanipalli, and Siddavaram.

South—Northern boundaries of Madasayapalem and Velukollu in the Venkatagiri Division.

West—Eastern boundaries of Yepuru Hill and Pangili.

In Kullur, which has an area of twelve square miles and includes the villages of Kullur, Razupalen, and Venkatareddipalli—

146	houses from	5 to 10	Ankanams	thatched	have been brought under the 6th Class.		
		2 to 5	,,	tiled			
98	,,	10 to 15	,,	thatched			
		5 to 10	,,	tiled	,,	5th	,,
65	,,	15 to 20	,,	thatched			
		10 to 15	,,	tiled	,,	4th	,,
51	,,	20 to 30	,,	thatched			
		15 to 25	,,	tiled	,,	3rd	,,
29	,,	above 30	,,	thatched			
		,, 25	,,	tiled	,,	2nd	,,

No houses have been brought under the first class as the majority of the residents of the large houses which would fall under the first class are in poor circumstances; the charges for 1871-72 could, besides, be met without the imposition of this rate of tax. The union is bounded on the

North by the Pennair.

East—Western boundaries of Buddavolu, Brahmanapalli, and Kaluvaya.

South—Northern boundaries of Tamidipadu and Madanagaripalli.

West by the Veligonda Hills.

6. In Gudur shops have been taken into consideration, and 721 buildings have in all been rated as follows:—

In the 6th Class thatched dwelling-houses from 5 to 8 Ankanams, shops within 6 ,,					
,, 5th ,,	thatched houses from		8 to 12	,,	
	tiled	,,	5 to 10	,,	
,, 4th ,,	thatched	,,	12 to 16	,,	
	tiled	,,	10 to 15	,,	
,, 3rd ,,	thatched	,,	16 to 25	,,	
	tiled	,,	15 to 20	,,	
,, 2nd ,,	thatched	,,	25 to 30	,,	
	tiled	,,	20 to 25	,,	
,, 1st ,,	thatched	,,	above 30	,,	
	tiled	,,	,, 25	,,	

The union comprises the villages of Nellatur, Chillakur, Palaganipadu, and Gudur and its three hamlets, viz., Potupallem, Divipallem, and Virareddipalli, with an area of 24¾ square miles, and is bounded on the

North by the southern limits of Piduru and Vinduru,

East—Western boundaries of Tikkavaram, Pentapadu, and Muthalapadu,

South—Northern limits of Tippamuru, Mekanuru, and Palicherla, and

West—Eastern boundaries of Chennur and Mangalapur.

7. A statement is enclosed showing the particulars and distribution of the house-tax proposed to be levied in each union, and I beg to submit revised budgets for the five schools in the Forms III. and III.-A appended to the Local Funds Act IV. of 1871. There is not much difference between the budget as sanctioned and as now revised. As reported before, provision for the construction of school-houses will be made from General Funds.

8. The proposals in regard to general improvements are the same as those made for the four unions already reported on. In Gudur it has been further proposed to bring down good water from the neighbouring watercourses to the large tank in the town from which the people obtain their supply. The Range Officer has been requested to submit a scheme for supplying the town with good water in the manner proposed.

9. All arrears of pay due to the masters and servants in the Union Schools for the past year have been paid up to November 1871, and I have the honour to request, with reference to the last paragraph of my letter, No. 82, that early orders on the subject of the payment of the arrears of pay due to these men for services rendered prior to last year may be passed.

Submitted for the orders of Government in continuation of Board's Proceedings, 4th January 1872, No. 26.

2. No further remarks seem to be called for.
