Proceedings of the Madras Government, Financial Department,
3rd April 1872.

No. 1. Read the following letter from the Controller of Military Accounts, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 20th March 1872, C:—

With reference to paragraph 2 of Order of Government, Financial Department, No. 252, 7th March 1872, relative to the civil debit for medicines for the year 1870-71, I have the honour to forward a letter from the Examiner of Medical Accounts, bringing to notice that, consequent on the system obtaining at that time, it will be impracticable to ascertain the cost of the issues to each separate branch of the Civil Department in that year, but that it will be shown in the current and future years' accounts.

No. 2553, 18th March 1872.

From the Examiner of Medical Accounts, to the Controller of Military Accounts, Fort St. George, dated Fort St. George, 18th March 1872, No. 2553.

With reference to Proceedings of Government, Financial Department, and Order thereon, No. 252, of 7th March 1872, it is stated in paragraph 2 that "Government believe that the civil debit for medicines, &c., for 1870-71, has not yet been ascertained."

2. The value of medicines issued to the Civil Department during 1870-71 was made out in this office and communicated to the Military Accountant for adjustment, supported by vouchers. The cost of the issues to each separate branch of the Civil Department was not shown, as this can only be done by pricing every item in the issues shown in each voucher, an amount of w[illegible] which this establishment could not undertake; and, as the issues made to each branch of the se[illegible] were not indented for separately, but frequently included in one voucher, the separation of th[illegible]lue of the issues to each does not now seem possible. It will be shown for the current and fu[illegible] years' accounts.

No. 2. Order thereon, 3rd April 1872, No. 392.

Details for 1870-71 are not required.

2. For 1871-72 and future years, the cost of issues to each institution must be separately made out.
