Proceedings of the Madras Government, Financial Department,
3rd April 1872.

No. 9. Read the following letter from the Acting President of the Municipal Commission, Madura, to the Chief Secretary to Government, Fort St. George, dated 23rd February 1872, No. 9 :—

With reference to paragraph 10 of the Order of Government in the Public Department, dated 31st March 1871, No. 436, I have the honour to submit a copy of the bye-laws now in force in the town of Dindigul. No person appears to have been prosecuted or convicted under any bye-law in 1870-71. I have been unable to ascertain which of the bye-laws have, in the opinion of the Commissioners, been found practically most useful, and further delay seems unnecessary, especially as none of the bye-laws appear to have been enforced. The only revision proposed by the Commissioners is the addition of the two new bye-laws submitted herewith.

Existing Bye-laws of the Dindigul Municipality.

I. That every person within whose premises any animal die, shall, within six hours after its death, remove the carcass at his own expense, without cutting it up or opening it, to such place as may be set apart by the Commissioners for the purpose.

II. That the external walls of houses bounding the public street shall be lime-washed at least once annually, unless specially exempted by the Commissioners.

III. That pigs found straying in the streets be impounded.

IV. That no grain be spread on any public street.

V. That no pandal be raised in the streets without the permission of the President or Vice-President being first obtained.

VI. That whoever commits a breach of any of the foregoing bye-laws shall be liable to a penalty not exceeding 20 Rupees.

VII. That one payment renders any cart or animal free of the toll for twenty-four hours.

VIII. Under the provisions of Section 133 of Act X. of 1865, fees for licenses, &c., shall be levied by the Municipal Commissioners of the town of Dindigul at the following rates :—

Section of Act X. of 1865.		Not exceeding Rupees
108.	For every slaughter-house	30 per annum.
110.	,, new market	25 do.
114.	For newly establishing offensive or dangerous trades	50 do.
115.	,, carrying on offensive or dangerous trades	25 do.
120.	,, every cart-stand	5 per acre per annum.
122.	,, temporary erections on streets on occasions of festivals and ceremonies	2 Annas to 5 Rupees.

(Signed) W. McQUHAE,
Acting President.

Additional Bye-laws proposed for the Dindigul Municipality.

The beating of tom-toms or drums, and the use of bells or musical instruments in the streets in the neighbourhood of the houses of the town to the annoyance of the public, are prohibited between the hours of 8 P.M. and 6 A.M., unless the written permission of the Commissioners be previously obtained.

Proceedings of the Madras Government, Financial Department,
3rd April 1872.

The unnecessary discharge of fire-arms and the letting off of fire-works in the streets of the town are prohibited at all hours, unless the written permission of the Commissioners be previously obtained.

Acting President.

No. 10. ORDER THEREON, 3rd April 1872, No. 396.

The new bye-laws are too vaguely worded to be sanctioned in their present form.

2. Copy of the bye-law on the subject of native music, sanctioned for the Municipality of Kurnool, will be furnished to the Commissioners of Dindigul.
