No. 70. Read the following letter from the President of the Municipal Commission, Cocanada, to the Officiating Chief Secretary to Government, Fort St. George, dated Cocanada, 9th March 1872, No. 46 :—

I have the honour to acknowledge the receipt of the Proceedings of Government, Public Department, and the Order thereon, dated 13th January 1872, No. 57.

2. With reference to paragraph 4 of the Order, I have instituted a careful examination into the accounts and find, as already indicated, that the Municipality has to repay the sum of Rupees 980-15-3, which amount has been paid into the Treasury this day.

3. The "discrepancy" in the Statements of the cost of Police huts, as indicated in paragraph 5 of the Proceedings under acknowledgment, arose from a clerical error. The Head Writer of the Municipality having been recently dismissed, some items which ought to have been collated into the statement subsequently submitted were overlooked. A revised statement is, herewith, forwarded.

4. The reconstruction of the new Police huts, excepting as shown in the margin, is entirely a new work, and the value of the articles marginally exhibited is not included in the cost now submitted, the payment of which is requested.

Twenty-five doors, two windows, and a few small country rafters; estimated value, Rs. 137.

5. I would also solicit the adjustment of Rupees 500 due to the Municipality on account of the State contribution, left unadjusted under the old Act for 1870-71, as shown in the Proceedings of Government, dated 14th June 1871, No. 824.

No. 71. Order thereon, 5th April 1872, No. 430.

The Government sanction the payment to the Municipal Commissioners of Rupees 840-0-6 from Provincial Funds. The Inspector-General of Police will cause the amount expended by the Commissioners on the huts in the current year, Rupees 1,386-10-8, to be repaid to them from Police funds.

2. With reference to paragraph 5 of his letter, the President is informed that the sum of Rupees 500 is not due. It was the amount which the Commissioners estimated would be due to them for 1870-71; but on a scrutiny of the accounts for
