Proceedings of the Madras Government, Financial Department,
5th April 1872.

No. 74. Read the following Proceedings of the Board of Revenue, dated 6th March 1872, No. 1716 (Miscellaneous):—

Read the following letter from the President of the Local Fund Board, Salem Circle, to the Secretary to the Board of Revenue, dated Salem, 17th January 1872, No. 79:—

In the Budget for 1871-72, Rupees 3,500 are provided for the road from Erumaputty to Pythembadi in the Namkul Taluq (*vide* Statement II.-A, Part I., New Works), but no money appears to have been expended, as the work has not been undertaken, owing to the budget being passed so late in the year. I have, therefore, the honour, under Clause 11, Rule 30, of the Local Fund Rules, to request the Board will be pleased to obtain the sanction of Government for the transfer of a portion of that allotment, viz., Rupees 1,300, to the Namkul and Thathiengarpett road, which requires *immediate repair on account of the damage* done to it by the *recent floods in the Namkul Taluq*.

2. The amount allotted to this road (*vide* Statement II.-A, Part II., Repairs) was all expended on the repair done to it previous to the occurrence of the above damage.

3. The Local Funds' Board considered the repair very emergent, and passed the estimate. A copy of their resolution I beg to forward, herewith, for the information of the Board.

Submitted for the sanction of Government, as the proposal contained in the foregoing letter involves a transfer of funds from the allotment for a new work to a repair work.

2. The damages sustained by the Namkul and Thathiengarpett road have been reported by the Collector in the concluding part of paragraph 3 of his letter embodied in Government Order, Revenue Department, dated 16th December 1871, No. 2117.
