I have the honour to retransmit estimates and surveys, as per margin, for gravelling certain roads in No. 1 Range, the estimates having been separated from the surveys.

3. Estimates, &c., for the road from Kotipalli Road near Penugundura to Kerapa returned with the Board's Proceedings above referred to, have been retained, the work not being of sufficient importance to necessitate its being proceeded with at present.

4. In conclusion, I have the honour to state that four copies of the surveys were prepared, and have been distributed in the manner prescribed in the Proceedings under reply.
