Proceedings of the Madras Government, Financial Department,
6th April 1872.

No. 102. Read the following Proceedings of the Government of India in the Financial Department, dated Fort William, 1st March 1872, No. 1583 :—

Expenditure—Stores.

Read the following :—

Extract of a Despatch from Her Majesty's Secretary of State for India, to the Government of India, Financial Department, dated London, 11th October 1871, No. 348.

5. With reference to the suggestion in paragraph 2 of your letter, that, in the event of any indents being forwarded to this office for stores or books, without sufficient explanation whether the expenditure is for Imperial or Provincial Services, the outlay should be shown in the Home Accounts as a remittance to India, it appears to me that the proposed plan is calculated to cause much inaccuracy in the accounts, and I, therefore, request that you will instruct all Departments to have clearly stated on indents for stores, &c., whether the cost is to be treated as an Imperial, a Provincial, or a Local Fund charge.

Ordered that a copy of the above be forwarded to the several Departments of the Government of India, the several Local Governments, the Director-General of the Post Office of India, the Mint Master, Calcutta, the Head Commissioner of Paper Currency, the Comptroller-General, the several Accountants-General, and the several Deputy Accountants-General in independent charge.

(Signed) R. B. CHAPMAN,
Secy. to the Govt. of India.
