No. 54. Read the following letter from E. G. BALFOUR, Esq., Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 20th December 1871, No. 416:—

With reference to paragraph 10 of the Proceedings of Government, No. 742, of 5th December 1871, I have the honour to report, for the information of Government, that, during 1870, the fixed incomes from funded capital and the expenses of the Combaconum and Munnargudi Dispensaries were as per margin, leaving in the case of Combaconum a balance of Rupees 3,503, and in that of Munnargudi a sum of Rupees 3,248 to be met from local and municipal funds. It does not seem probable, as the institutions are now maintained by local taxation, that any income can be expected from voluntary subscriptions.

Combaconum.	Rs.
Expenditure	4,275
Fixed income	772
Balance ...	3,503
Munnargudi.	
Expenditure	4,540
Fixed income	1,292
Balance ...	3,248

2. With reference to paragraph 15 of the above-noted order, I have to report that the expenditure of the Negapatam and Mayaveram Dispensaries during 1870 was as follows:—

	Rs.
Negapatam	1,785
Mayaveram	677

The subordinate in charge of the Negapatam Dispensary is an Assistant Apothecary, and the only part of his salary hitherto debited to the Dispensary has been the charge allowance of Rupees 50 per mensem. It appears to me, however, that, since the maintenance of dispensaries was thrown on local funds, the Government have, as a rule, charged the institutions with the whole of the salaries of the subordinates attached to them, whatever may have been their rank, and it does not seem necessary in this instance to depart from the usual course.

No. 55. ORDER THEREON, 17th January 1872, No. 45.

Communicated to the Board of Revenue, who are requested to enter, subject to further discussion between the Local and Municipal Bodies concerned, what may seem to be suitable contributions from local funds for the Municipal Dispensaries in question.

2. Dr. Balfour will inform the Board of Revenue whether the Assistant Apothecary is attached to the Sub-Collector, and is only incidentally in charge of the Dispensary, and, if not, for what reason his allowances have been differently treated from those of other medical subordinates in charge of dispensaries. If he is not attached to the Sub-Collector, the Revenue Board will include his allowances in considering the contribution. Dr. Balfour will inform the Board what his allowances are.
