Proceedings of the Madras Government, Financial Department,
6th April 1872.

Read the following papers :—

No. 130. Proceedings of the Board of Revenue, dated 31st January 1872, No. 224.

Read the following letter from the Acting President of the Local Fund Boards, Ganjam District, to the Secretary to the Board of Revenue, dated Russelcondah, 9th January 1872, No. 3 :—

With reference to the accompanying copy of a letter, No. 13, dated the 27th October last, received from the Vice-President of the Local Fund Board of the Chicacole Circle, I have the honour to request that the Board will be pleased to bring to the notice of Government the anomaly of debiting to Local Funds the whole of the salary of the Assistant Apothecary attached to the Civil Dispensary at Kimedy, as his services are freely used by the Police stationed at Kimedy, as well as for post-mortem examinations in all cases coming from places situated in the talugs of Purla Kimedy, Teckally, and Turlah. It seems to me that the Police should pay a moiety of the salary now defrayed by the Local Fund Board, the location of an Apothecary at Kimedy having been doubtless determined with reference to the wants of this Department in a remote station. The list which Dr. Mackenzie furnished, and which is recorded in Board's Proceedings, 15th May 1871, No. 2023, clearly shows that a Hospital Assistant was considered sufficient for other Dispensaries of the kind and the entry of the words " and Police " opposite the Kimedy Estate Dispensary, sufficiently explain why an Assistant Apothecary was selected for this post. It is very desirable that the services of an officer of this rank should be secured, but I submit that the Local Fund Circle should not bear the whole cost.

Enclosure No. 1.—Copy of a letter from Acting Vice-President, Local Fund Budget, Chicacole Circle, dated 27th October 1871, No. 13.

Submitted for the orders of Government.

2. The Board concur with the President.

Referred to the Acting Inspector-General of Police for report whether an Assistant Apothecary is required at Kimedy in the interest of the Police, and whether the Police Budget can bear a moiety of his salary.

28th February 1872.

(Signed) W. HUDLESTON,
Officiating Chief Secretary.

No. 131. From the Inspector-General of Police, to the Officiating Chief Secretary to Government, Fort St. George, dated Madras, 26th March 1872, No. 1156.

With reference to your endorsement on the Proceedings of the Board of Revenue, No. 224, of 31st January 1872, on the subject of retaining an Assistant Apothecary at Kimedy, &c., I have the honour to state that, in my opinion, it is very desirable that a medical officer of that grade should be retained in such a locality, a moiety of his salary being borne on the Police Budget if approved of by Government.

No. 132. Order thereon, 6th April 1872, No. 462.

A moiety of the salary of the Assistant Apothecary, Kimedy, will accordingly be charged to the Police Budget, the other half being defrayed by the Local Funds Board of the Chicacole Circle, Ganjam District.
