Proceedings of the Madras Government, Financial Department,

8th April 1872.

No. 157. Read the following Proceedings of the Board of Revenue, dated 6th March 1872, No. 1707 (Miscellaneous) :—

Read the following letter from the Secretary to the Inspector-General, Indian Medical Department, to the Secretary to the Board of Revenue, dated Fort St. George, 3rd February 1872, No. 716 :—

I have the honour, by desire of the Inspector-General, to submit the following remarks on the provision made for the Dispensaries marginally noted in the Budget Estimate for 1872-73 of the Dindigul Circle, Madura District.

Dindigul.
Palani.
Periakolum.

2. *Dindigul Dispensary.*—The cost of this institution in 1870 was Rupees 1,443, but it is observed that the charges for it during 1872-73 are estimated at Rupees 1,900. Of this amount the Local Fund Board will furnish three-fourths, or Rupees 1,425, leaving Rupees 475 to be provided by the Municipality. This allotment will apparently be sufficient.

3. *Palani Dispensary.*—It is proposed to open a new Hospital at this place ; but beyond the statement of the grant in the estimate, no information regarding it has reached the Inspector-General. The provision made for a medical subordinate and servants will be sufficient ; but it seems desirable that larger sums should be set apart for furnishing the institution with a sufficient equipment of instruments, medicines, furniture, and other necessaries.

4. *Periakolum Dispensary.*—The proposed grant of Rupees 1,328 for this hospital seems sufficient, if it be exclusive of the unexpended balance carried over from the current year.

Submitted to Government in continuation of Board's Proceedings, dated 22nd December 1871, No. 5129.
