Sir,

With reference to para 2 of G.O.
No 305 of 13th March 1872, I have the
honor to report for the information of
His Excellency the Governor in Council
that for years past it has been the custom
of the Medical Officer in charge of the
Civil Dispensary and Seaman's Hospital
Cocanada, to exhibit in his annual
Financial Statement the receipts and
disbursements of these institutions in dis-
tinct columns, and this practice has also
been adopted in this Office in preparing
the general financial statement, as
being calculated to afford a detailed

view of the working of the two hospitals, than if their receipts and charges were mixed up together.

I have the honour to be
Sir
Your most Obdt. Servant.
