PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th January 1872.

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 24th November 1871, No. 288:—

In forwarding an application for the transfer of the market-place at Avenashy to the Local Fund Board, as desired in paragraph 19 of the Revenue Board's Proceedings, No. 4,590 of 2nd November 1871, I have the honour to inform you, that I have found from the account of the actual collections at this institution that the average yearly receipts may safely be taken at Rupees 400, although Rupees 200 a year has only been estimated for in the Local Fund Budgets sent for the current and ensuing years. The additional amount of collections will be utilized in repairing and improving the market-place at Avenashy, for which estimates of Rupees 171-8-0 have just been sanctioned. Under the head of Establishment I have provided Rupees 168, but an

establishment of Rupees 96* has as yet been found sufficient; the additional provision of

Rupees 6 a month is made in case of its becoming necessary hereafter to entertain the services of a Goomastah to collect the fees, as at Pollachy.

ENCLOSURE No. 1.—List.

THE application for the transfer of the Avenashy market-place to the Board of the Southern Circle of Coimbatore will be submitted for the sanction of Government.

2. The receipts and charges are said to be Rupees 400 each. The sources of the receipts are not specified, but the Rupees 200 entered in the Budget seems to be derived from "Rent and Produce of Land."
