No. 199. Read the following Proceedings of the Board of Revenue, dated 23rd March 1872, No. 2213 (Miscellaneous):—

Read the following letter from the President of the Local Fund Boards, Nellore, to the Secretary to the Board of Revenue, dated Nellore, 28th February 1872, No. 83:—

With reference to my letter, No. 23, of 30th September 1871, I have the honour to submit proposals for the formation of unions in the following five out of the thirty-eight villages in respect of the schools in which it was proposed to establish unions for 1872-73, viz., Duvur, Sangam, Patur, Gandavaram, and Juvaladinne. These schools were selected with reference to Rule XI. of the Local Fund Rules, and the same principles with respect to distance, &c., have been observed as in the case of the unions already summarily formed.

2. It has not been considered necessary or expedient to establish any Anglo-Vernacular School at these villages, the inhabitants being poor and quite content with pure vernacular education.

3. Here, also, it was found impossible to observe a uniform system of classification of houses, and the Officiating Deputy Collector has, in consequence, made the following arrangements which have received the approval and sanction of the Local Fund Board.

4. *Duvur Union.*—In Duvur 329 houses have been classified as follows:—

Thatched	from 5 to 10	Ankanams...	6th Class.
Do.	10 to 15	,, ...	5th ,,
Do.	15 to 20	,, ...	4th ,,
Do.	20 to 30	,, ...	3rd ,,
Do.	above 30	,, ...	2nd ,,

The union extends over an area of nine square miles, and comprises the villages of Duvur and Mactapuram, and is bounded on the

North.—By the south boundaries of Varrigallu.
East.—West limits of Vavveru.
South.—Pennair.
West.—East limits of Siddipuram and Vengareddipalam.

5. *Sangam.*—In Sangam, which has an area of nine square miles and embraces the village of Sangam and its hamlets, 161 houses have been classified, shops being treated as one class, and the following arrangement has been made:—

Thatched	dwelling-houses	above 4 and up to 8 Ankanams.	}	6th Class.
Do.	shops	up to 2½	}	
Do.	dwelling-houses,	from 8 to 12 Ankanams		5th ,,
Do.	do.	12 to 20 ,, ...		4th ,,
Tiled	do.	12 to 20 ,, ...	}	3rd ,,
Thatched	do.	20 to 30 ,, ...	}	
Do.	do.	above 30 ,, ...		2nd ,,

The union is bounded on the

North.—By the south boundaries of Tarumavaya, Talpurpadu, Kommerla, and Peramava.
East.—West limits of Padamatipalem.
South.—Pennair.
West.—East limits of Kollakotta.

6. *Patur.*—Patur extends over an area of four square miles. It consists of the village of Patur alone, and is bounded on the

North.—By the south limits of Yellayapalem.
East.—West boundaries of Kovur.
South.—North boundaries of Damaramadgu.
West.—East boundaries of Nagamambapurum and Rebala.

In this union, owing to the majority of the inhabitants who were the most desirous for the establishment of the union residing in very small houses, and because the charges of the union could not be met in any other manner, the Deputy Collector was compelled to depart from his ordinary rule with respect to the exclusion of all thatched houses measuring less than five Ankanams. The limit has, therefore, been fixed at two Ankanams, and the following is the result:—

Thatched houses from	2 to 5 Ankanams	6th	Class
Do.	5 to 10 ,, ...	5th	,,
Do.	10 to 20 ,, ...	4th	,,
Do.	20 to 30 ,, ...	3rd	,,
Do.	above 30 ,, ...	2nd	,,

7. *Gandavaram.*—In Gandavaram, which merely comprises the village of Gandavaram with an area of nine square miles—

All thatched houses from 5 to 10 Ankanams have been brought under the 6th Class.

Do.	from 10 to 15 Ankanams	5th	,,	
Tiled	,, 10 to 15 ,, ...	4th	,,	
Do.	,, 15 to 20 ,, ...			
Thatched	,, 20 to 30 ,, ...	3rd	,,	
Do.	,, above 30 ,, ...	2nd	,,	

The union is bounded on the

North.—By the south limits of Vuchuguntapalem and Bodduvaripalem.
East.—West limits of part of Nayadupalem, Kodavalur, and Razupalem.
South.—North limits of Yellayapalem, Rebala, and Pallapolu.
West.—East limits of Peddaputtedu and Gollapalem.

8. *Juvaladinne.*—Juvaladinne extends over an area of nine square miles and embraces the villages of Juvaladinne and Waddepalem. It is bounded on the

North and East.—By the backwater.
South.—North boundaries of Siddavaram, Venkatesapalem, and Mallayapalem.
West.—East limits of Mungamur.

One hundred and sixty-three houses have been here classified, and the following is the result:—

Thatched above 2 and up to 5 Ankanams	6th	Class.	
Do. from 5 to 10 ,, ...	5th	,,	
Tiled ,, 2 to 5 ,, ...		,,	
Tiled ,, 5 to 10 ,, ...	4th	,,	
Thatched ,, 10 to 15 ,, ...		,,	
Do. ,, 15 to 20 ,, ...	3rd	,,	
Tiled ,, 10 to 15 ,, ...		,,	
Do. ,, 15 to 20 ,, ...	2nd	,,	
Thatched ,, 20 to 30 ,, ...		,,	
Do. ,, above 30 ,, ...	1st	,,	
Tiled ,, above 25 ,, ...		,,	

9. Except in Juvaladinne no house has been brought under the first class; this is owing, in a great measure, to the villages being small and the inhabitants generally in poor circumstances.

10. The proposals with regard to sanitation and improvements are similar to those made in the other unions. The prevalence of prickly-pear is complained of more or less in every village, and the Local Fund Board have, in several cases, sanctioned moderate grants-in-aid from general funds for its removal.

11. I enclose a statement showing the particulars of the house-tax proposed to be levied in each union, and beg to submit revised budgets for the five schools in the usual form.

12. Provision for the erection of temporary thatched houses for the schools has been made from general funds, and the Local Fund Board have in addition sanctioned a small outlay from the same source for furniture for each school.

These proposals, which relate to five out of the thirty-eight proposed unions mentioned in paragraph 9, Board's Proceedings, 14th December 1871, No. 5028, will be submitted for the orders of Government.

2. The unions fall under Rule XI., and the proposals, which are similar to those approved of in Government Order, 5th February 1872, No. 121, seem to be unobjectionable.

3. The Collector will submit a Draft Notification regarding the areas and rates of house-tax.
