No. 201. Read the following letter from the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 27th March 1872, No. 429 :—

I have the honour to submit the following for the favourable consideration of Government.

2. During my late tour in the Northern Districts, Mr. Taylor of my office, a 1st Class Clerk on Rupees 50 a month, accompanied me. As a Clerk drawing more than Rupees 34 a month he was, under G. O., No. 246, dated 15th November 1865, entitled to a Warrant Officer's passage and all the privileges of that passage, viz., a servant free and free mess; but if mess was not provided by the ship, he was entitled to compensation at the rate Rupees 3 a day as table allowance. But this order, it would appear from the enclosed Statement of Objections by the Accountant-General, has been superseded by G. O., No. 1467, dated 23rd July 1866, which allows only free passage and free mess, but no compensation if not messed by the ship. Under this order, the Accountant-General has retrenched Rupees 7-8-0 from the travelling allowance, being compensation for table money claimed by Mr. Taylor while going from Madras to Cocanada.

3. I beg to submit that the circumstances of Mr. Taylor's case are very peculiar, and entitle him to special consideration at the hands of Government.

4. Mr. Taylor, not aware of the rules which regulated travelling by sea of Uncovenanted Servants of his standing at the public expense, availed himself of only a deck passage and took no servant with him, while he was entitled to a second-class passage and allowed to take a servant; but being a deck passenger he was obliged to mess himself at the rate of Rupees 2 day and claimed compensation for the same. Moreover, he had to contend against many inconveniences as a deck passenger, and his salary, being only Rupees 50 a month, was insufficient to enable him to pay Rupees 2 a day for mess alone.

5. By Mr. Taylor's availing himself of only a deck passage and not taking a servant with him, he has effected a clear saving to Government of Rupees 27-8-0, even debiting against him the compensation, Rupees 7-8-0, which he claims, as will be seen from the following :—

Actual cost to Government of passage to which Mr. Taylor was entitled as per Order of Government, was taken.	RS.	A.	P.	Cost as per passage availed of by Mr. Taylor.	RS.	A.	P.
Second-class passage	35	0	0	Deck passage	12	8	0
Servant	12	8	0	Compensation claimed for table money	7	8	0
Total ...	47	8	0	Total ...	20	0	0

Saving to Government, Rupees 27-8-0.

6. Under these circumstances, I beg to solicit that Government may be pleased to authorize the Accountant-General to pass to Mr. Taylor the compensation for table money claimed by him, as a special case; taking into consideration the inconveniences he had to undergo as a deck passenger, and the fact that the modification in the rule, pointed out by the Accountant-General, had been lost sight of.

Proceedings of the Madras Government, Financial Department,
17th April 1872.

No. 15.

Submitted for the orders of Government with the remark that, in the Order of this Government in the Marine Department, No. 132, dated 29th May 1866, it is decided that Civil Officers entitled to the free passage of a Warrant Officer are not entitled to any allowance when not messed on board, and that the Financial Resolution of the Government of India, No. 1467, dated 23rd July 1866, published in the *Fort St. George Gazette* of the 17th August 1866, page 210, does not allow any compensation.

FORT ST. GEORGE,
6th April 1872.

(Signed) R. TAYLOR,
Offg. Accountant-General.

To the Officiating Chief Secretary to Government, Fort St. George.

No. 202. ORDER THEREON, 17th April 1872, No. 515.

The Government infer from this letter that had the Sanitary Commissioner's Clerk claimed the class of passage to which his rank entitled him, he would not have been required to mess himself on board, and would thus have been saved from the inconvenience and expense he incurred, while a much heavier charge would have fallen on the Government.

2. Under these circumstances the Acting Accountant-General is authorized to pass the claim for compensation allowance amounting to Rupees 7½.
