Proceedings of the Madras Government, Financial Department,
17th April 1872.

No. 205. Read the following Proceedings of the Board of Revenue, dated 18th January 1872:—

Read the following letter from the Sanitary Commissioner for Madras, to the Secretary to the Board of Revenue, dated Cocanada, 6th January 1872, No. 4:—

I have the honour to report, for the information of the Board, that the Madanapalli Local Funds Board have provided, in their estimates for 1872-73, a sum of Rupees 1,720 for sanitary establishments in clearing wells and tanks and for the conservancy of a few towns. The amount appears to be below the contemplated expenditure in most other circles, and I would suggest that, if funds are available, more should be allotted for sanitary purposes.

Submitted to Government in continuation of the Board's Proceedings, dated 12th January 1872, reviewing the Cuddapah and Madanapalli Circle Budgets for 1872-73.
