*Proceedings of the Madras Government, Financial Department,*
*17th January* 1872.

No. 64. Read the following letter from the Inspector-General of Jails, to the Chief Secretary to Government, Fort St. George, dated Madras, 8th January 1872, No. 7:—

With reference to your Memorandum in the Financial Department, No. 340, dated 11th ultimo, I have the honour to state that, in estimating the probable amount to be realized during the year 1872-73, under the head "Sale proceeds of Jail manufactures," the amount to be recovered from the Police and Commissariat for the articles to be supplied to those Departments was omitted. I, therefore, request you will be good enough to cause the figures entered under the above head, viz., Rupees 1,27,500, to be altered to Rupees 2,25,000 as the probable receipts for the year 1872-73, and that the figures, Rupees 1,31,000, entered under the head "C., Advances for the purchase of raw materials," &c., may be increased to Rupees 2,05,000.

2. In reply to paragraph 2, I beg to state that the number of convicts in jail at the end of October last was 9,067, and that a margin was allowed to meet any increase that might be caused by famine or scarcity.

3. The charges* for "Saderward and Contingencies" and "Clothing and Bedding" were maintained, as the expenditure for contingencies has been kept as low as possible for several years, and a margin was, therefore, allowed.

* Rupees 50,000.
,, 35,000.

4. The sum of Rupees 9,000 was entered under the head "Additions, Alterations and Repairs" as it is both convenient and economical to cause small special works which may be wanted from time to time to be executed under the orders of Superintendents of Jails. The sum of Rupees 9,000 also covers Municipal taxes and rent,* such as that of the Jailer's house at Ootacamund, and that of the Jail at Tanjore.†

* At Rupees 37 per mensem.
† At Rupees 50 per mensem.

No. 65. ORDER THEREON, 17th January 1872, No. 51.

The Budget Estimate of receipts from Jail manufactures, &c., for the year 1872-73, revised in accordance with paragraph 1 of the foregoing letter from the Inspector-General of Jails, amounts to Rupees 2,37,500 against Rupees 96,830, the actuals for 1870-71, and Rupees 1,50,000, the estimate for 1871-72. The actual receipts for the first half of the last-mentioned year amount to Rupees 31,461, and are less than a fourth of the gross estimated receipts. The Government think that, under the action recently taken for the supply of tent cloth, drill cloth, cumblies, carpets, sandals, furniture, &c., to the Commissariat, Police, and other Departments, there is every probability of the estimated receipts* for 1872-73 being realized to their full extent.

* Rupees 2,37,500.

2. The charges for 1872-73, with the addition suggested by the Inspector-General under "C., Advances for the purchase of raw materials," &c., amount to Rupees 9,79,114, against Rupees 7,62,937, the actuals for 1870-71, and Rupees 9,00,000, the grant for the current year.

3. The charges are divided under the following heads, viz :—

| | Rs. |
|---|---|
| Inspection and General Superintendence ... ... ... ... ... ... | 38,108 |
| Rations, Establishments, &c. ... ... ... ... ... ... ... ... | 6,67,122 |

| Advances for Jail manufactures ... ... ... ... ... ... ... ... | 2,05,000 |

| Subsidiary Jails ... ... ... ... ... ... ... ... ... ... ... | 1,682 |
| Total ... | 9,79,114 |

4. Excluding the "Advances for Jail manufactures," Rupees 2,05,000, the expenditure under the other heads is Rupees 7,74,114. It exceeds the actuals* for 1870-71 by Rupees 78,634, and the estimate† for 1871-72 by Rupees 5,199. Carrying out the comparison with the actuals for 1868-69 and 1869-70, it is observed that, while the proposed expenditure in 1872-73 exceeds the actuals in 1869-70 by Rupees 33,131, it falls short of those for 1868-69 by Rupees 25,078. The Government resolve under these circumstances, and with reference to the probability of an increase in the number of prisoners consequent on a season of scarcity, to pass the charge for 1872-73.

* Rupees 6,95,480.
