Proceedings of the Madras Government, Financial Department, 22nd April 1872.

No. 256. Read the following Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 22nd February 1872, No. 73 (Financial) :—

I have considered in Council your Financial letter dated 29th November 1871, No. 314, in which you point out certain objections to the proposition on which the vote of the Members of the Madras Civil Service was taken for the transfer of the accumulated Annuity Fund Capital to the State and express your opinion that a further reference should be made to the Service.

2. The terms of the Resolution adopted by the Members of the Madras and Bombay Civil Services do not appear to me to be at variance with the terms authorized by my despatch dated the 10th February 1871, No. 52, and, as it is my intention to introduce a Bill into Parliament to legalize the transfer of the Civil Annuity Funds of the three Presidencies to the State and to secure the rights of Subscribers and Annuitants, I do not see any necessity for making a further reference to the Members of the Madras Fund on the subject.

No. 2510.

Ordered that a copy of the above despatch be forwarded to the Government of Fort St. George for information with reference to the correspondence ending with that Government's letter No. 796, dated 14th December 1871.

Ordered also that a copy of the despatch be forwarded to the Government of Bombay for information with reference to the letter of this Department No. 128, dated 12th January 1872.
