Proceedings of the Madras Government, Financial Department,
22nd April 1872.

No. 258. Read the following letter from the Director of Public Instruction, to the Secretary to Government, Fort St. George, dated Madras, 13th April 1872, No. 699:—

In connexion with my letter, No. 612, of the 27th ultimo, I think it right to submit the annexed extracts from a communication just received from the Acting Inspector of Schools, 1st Division.

2. Looking at the desire felt to improve the educational condition of the Ooriyas, the disallowance of a second Deputy Inspector of Schools for the Northern or Ooriya portion of Ganjam is much to be regretted.

Extracts from a Letter from the Acting Inspector of Schools, 1st Division, to the Director of Public Instruction, dated Waltair, 4th April 1872, *No.* 260.

"It is with regret that I learn from your Proceedings of the 27th instant, No. 909, that you have been compelled to cancel the appointment of the new Deputy Inspector for the Chetterpore Circle. I was looking forward to considerable benefit resulting from the employment of an officer in that part of Ganjam who understood Ooriya. The present Deputy Inspector of the District cannot possibly be of as much service in the north of Ganjam as he would be if he knew Ooriya."

"Rather than cancel the appointment, I think it would have been a boon to the country if the Government had for this year, as a special case, paid the whole of the new Deputy Inspector's salary. The additional cost to Government would have been very small, and the advantage to Ooriya elementary education would have been very great."

No. 259. ORDER THEREON, 22nd April 1872, No. 551.

The foregoing letter is referred to the President of the Local Fund Boards, who will submit his views after communicating on the subject with Mr. Kershaw.
