*Proceedings of the Madras Government, Financial Department,
25th April 1872.*

No. 270. Read the following letter from the President of the Municipal Commission, Salem, to the Officiating Chief Secretary to Government, Fort St. George, dated Salem, 4th March 1872, No. 240 :—

I have the honour, by desire of the Municipal Commissioners, to request that Government will be so good as to accord their sanction to No. 24 of the bye-laws of this Municipality, forwarded with my letter of the 22nd April 1871—"No articles shall be exposed for sale in the central bazaar streets of Salem and Shevappett, known as the mainroad, except in registered stalls. The registration to be gratis"—as the Commissioners would like it to be brought into force from the commencement of the next official year.

No. 271. ORDER THEREON, 25th April 1872, No. 558.

The Government desire to be informed whether the proposed bye-law is directed against the obstruction caused by the sale of commodities in the thoroughfare itself, or intended to bring private bazaars, shops, and stalls under control by means of registration. If the former, it should be made more clear; if the latter, the reason and necessity of the measure should be explained. It is observed that the Commissioners have markets whence they derive a revenue.
