Proceedings of the Madras Government, Financial Department,
25th April 1872.

No. 278. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Dowlaishweram, 13th April 1872, No. 191:—

In forwarding, herewith, copy of a letter received from the President of Local Fund Boards, Godavery District, stating that the provision of Rupees 468, made in the Rajahmundry Circle Budget for 1871-72, to meet the cost of the establishment employed on the Polaveram river embankment, was struck out by the Board of Revenue, I have the honour to bring to your notice that, on the understanding that the revenue derived by the sale of grass, &c., growing on the embankment in question was to be credited to Local Funds, the Government in Order No. 1487, dated 11th May 1868, stated that the cost of the establishment would seem to be chargeable to Local Funds. With reference to this G. O. the Board of Revenue have, up to the year 1870-71, provided money for the above purpose from Local Funds; but, as the necessary funds have not been placed at my disposal for the official year 1871-72, the establishment has been kept out of pay.

One copy of letter, No. 90, dated 25th March 1872.

2. I now request you will be pleased to obtain the orders of Government in this matter.

From the President of the Local Fund Boards, Godavery District, to the Acting Superintending Engineer, 1st Division, dated Cocanada, 25th March 1872, No. 90.

2. Adverting to the 2nd paragraph of your letter under reply, I have the honour to ask your attention to the resolution passed by the Local Fund Board, Rajahmundry Circle, at a meeting held on the 28th September last, when they declined to enter the item in the Budget for 1872-73 on the ground that the charge was not debitable to Local Funds—an opinion which was also expressed by the Board of Revenue in their Proceedings, dated 14th May 1870, No. 3279.

Referred to the Financial Department.
