Proceedings of the Madras Government, Financial Department,
26th April 1872.

No. 289. Read the following letter from the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 19th April 1872, No. 121 :—

With reference to the Order of Government, Financial Department No. 457, of the 6th instant, requesting me to re[illegible] whether an Assistant Apothecary will not suffice for the Civil Dispensary at Goodaloor, I have the honour to mention, for the information of the Honourable the Governor in Council, that, in their Proceedings marginally entered, the Government sanction a Medical Warrant Officer of the grade of Assistant Apothecary for that institution. From that date up to the present time the officer in charge has not been of higher rank than Assistant Apothecary, and, in my opinion, one of that grade is sufficient for the duties required of him at Goodaloor.

Public Department, No. 93, of 24th January 1865.

No. 290. ORDER THEREON, 26th April 1872, No. 570.

The Government will pay the Assistant Apothecary on the understanding that the Dispensary is to be available for the treatment of the Police and other Government servants.
