Proceedings of the Madras Government, Financial Department,
29th April 1872.

No. 316. Read the following letter from the Officiating Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 4th April 1872, No. 5 :—

Book Department.

I have the honour, with reference to the orders of Government marginally noted, to forward, herewith, a communication, in original, with two enclosures, from the Acting Collector of Bellary, No. 473, dated 26th ultimo, and to inquire whether the Municipality of Bellary is liable to the charges of the Civil Dispensary there from May last, although sanction for its transfer to that body has not been, it appears, communicated.

No. 29, dated 13th January 1872, Financial.

No. 317. ORDER THEREON, 29th April 1872, No. 583.

The Government observe that it was distinctly declared in G. O., 30th June last, that the Municipalities would be liable to the ordinary charges for the Dispensaries from the 1st May and for supplies of medicines made in April, and that, in the Bellary Budget for 1871-72, Rupees 2,200 were sanctioned for the purpose. This sum (allowance made for the Local Fund contribution also provided for in 1871-72 and private income of the Dispensary) will probably amply suffice to meet the burden on the Municipal Fund. The Collector will, therefore, make the necessary recovery from the Municipal Fund, crediting it with the local contribution and other Dispensary receipts for 1871-72, and debiting the ordinary charges met from other sources than Government funds.

2. The Government observe that the delay in the formal vesting of the institution in the Municipal Commissioners is due to the remissness of the President in neglecting to send up the necessary lists. He did not forward them till the 20th December 1871, and they have been received by Government with the Board's Proceedings, dated 26th March 1872, which are separately disposed of.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from
Accountant General Mad=
=ras, dated 4th April 1872
No. 5.

Order thereon, No. 583 - 29 April /72.

The Government observe that it was distinct=
=ly declared G. O. 30th June last
that the Municipalities would be liable to the ordinary charges for the dispensaries from the 1st May and for supplies of medicines made in April; and that in the Bellary budget for 1871-72 Rs 2,200 was sanctioned for the pur=
=pose. This sum (allowance made for the local fund contribution also provided for in 1871-72 and private income of the dispensary will

will probably amply suf-
-fice to meet the burden
on the Municipal fund.
The Collector will therefore
make the necessary recovery
from the Municipal fund
~~must~~ crediting it with
the local contribution
and other dispensary re-
-ceipts for 1871-72 and de-
-biting the ordinary charges
met from other sources
than Government funds.

2. The Government ob-
-serve that the delay in
the formal vesting of the
institution in the Muni-
-cipal Commissioners is
due to the remissness of
the President in neglecting
to send up the necessary
lists. He did not forward
them till the 20th December
1871, and they have been re-
-ceived by Government
with the Boards Proceed-
-ings

Memo for orders. 71

The Accountant General
submits for orders a docket
from the Collector of Bellary,
with enclosures, whence it
appears that the munici-
-pal Commissioners refuse
to levy the charges in connexion
with the dispensary assessed
on municipal funds. The
ground of refusal is that
orders have not yet been
passed vesting the dispen-
-sary in the municipalities.
9th May and
2. In G.O. 30th June 1871 No.
Pub
619 & 265. 7th Sept. Presidents
of municipalities were
called on to submit, without

delay, lists of institutions to be transferred to the Corp.n and it was expressly laid down that from the 1st May last, the charges hitherto borne by Govt would be recovered.

Owing to the remoteness of the Presidency in Bellary lists were not forwarded till December, when they were sent to the Board of Rev. from whom they have just been received.

3. The Commissioners of Bellary provided in their budget Rs 1440 ~~for the~~ the sums assessed on them in S.O. 17th April No 491 and Rs 760 as an additional grant. This supplemental assignment was approved in the S.O. on the budget, and under the act, this order is to be carried out by the Corp.n as far as the means at their disposal will allow. Therefore, independently of the question whether or not the dispensaries vested in them in 1871-2, they can be called upon* to keep up to the extent of the grant in their budget or of the balance in hand

*or the Collector can be desired to take the money from the municipal fund lodged in the treasury
