Proceedings of the Madras Government, Financial Department,
29th April 1872.

No. 318. Read the following letter from the Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort St. George, dated Fort William, 28th March 1872, No. 2343 (Accounts):—

I am directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough to fix the grant for Provincial Public Works in October of each year, so as to admit of the Provincial Public Works Estimate being prepared and submitted to the Department of Public Works at the same time as the Imperial Estimates. The grant as fixed in October can, like the Imperial Public Works allotment, be altered, if need be, when the general Provincial Financial Statement is made up, but such alteration would probably seldom be heavy if the Public Works allotment be kept at about the same amount from year to year.

Copy forwarded to the Public Works Department, with reference to that Department's Office Memorandum, No. 276-A-G, dated 18th March 1872, and to the Comptroller-General for information.

No. 319. ORDER THEREON, 29th April 1872, No. 584.

Ordered that the following letter be despatched to the Government of India:—
