Proceedings of the Madras Government, Financial Department,
18th January 1872.

No. 74. Read the following Proceedings of the Government of India in the Financial Department, dated Fort William, 15th December 1871, No. 3001 (Accounts):—

Read again—

Financial Resolution, No. 4447, dated the 19th October, deciding, with reference to a claim by the Civil on the Public Works Department, for a Sessions House at Bunnoo, which was taken up for the Punjab Northern State Railway, that, if the appropriation for imperial purposes of a building occupied for provincial services *causes expense in the provincial revenues*, it should be made good, and *vice versâ*, but when no expense is involved, no charge should be made.

Read—

An Office Memorandum from the Public Works Department, No. 819-A—G, dated the 6th November, inquiring whether the principle laid down in the above decision, regarding the payment for provincial buildings, is also applicable to works constructed from *local* funds, but which may be transferred to imperial funds.

RESOLUTION.—The Governor-General in Council observes that, when a building has been constructed from "local funds," the imperial revenues should ordinarily pay for it, if it is taken over.

Ordered that the foregoing Resolution be communicated to the Public Works Department, the several local Governments and Administrations, the Comptroller-General, and the several Accountants-General, and Deputy Accountants-General in independent charge.
