Read the following letter Statement from the Acting Accountant General dated 21st November 1871.

Order thereon 18 Jany 72 No 59

The statement of Revenue and Expenditure for the financial year ending 31st March 1871 shows that the gross receipts from all sources amounted to £ 8,219,332, and the gross disbursements under all heads to £ 6,173,622.

2 Compared with the preceding year 1869/70, there is a net increase

in

in the receipts of £ 109,344, and a net decrease in the disbursements of £ 569,961.

3. There has been a decrease during 1870-71 in the receipts from "Land Revenue" and "Forest," of £ 84,903 and £ 15,876. The decrease under "Land Revenue" is due partly to the delay on the part of Zemindars in paying their Peshcush, and partly to the fact that while in 1869-70 considerable arrears were collected, in 1870-71 the collection was comparatively small. The decrease under "Forest" is attributable to the dull state of the market consequent on the recent European war, and to the non-

non-delivery of the Annamallay teak in time for credit being given during the year. The increase under "Excise on Spirits and Drugs," "Customs" and "Salt," of £ 19,244, £ 28,412, and £ 99,494 respectively, is satisfactory. The variations under other heads of receipt call for no remark.
