No. 5. Read the following Proceedings of the Board of Revenue, dated 5th April 1872, No. 532:—

Read the following letter from J. W. BREEKS, Esq., President of the Nilgiri Local Fund Board, to the Secretary to the Board of Revenue, dated Ootacamund, 13th March 1872, No. 7:—

I HAVE the honour to forward, for submission to Government, the marginally noted papers relating to the new Kottagiri ghaut, and to request that the work may be sanctioned at an early date.

1. Sheet Survey.
2. Book Survey.
3. Estimate A.
4. Do. B.
5. List of Private and Putta lands.
6. Copy of Range Officer's letter, No. 229, dated 31st January 1872.
7. Copy of Superintending Engineer's letter, No. 116, dated 1st March 1872.

2. The plans and estimates were laid before the Local Fund Board on the 8th January 1872, and met with their approval. The Executive Engineer's report so fully explains the nature of the work and its advantages that I need not enter into further details.

THIS estimate for constructing a road fit for laden bullocks and nowhere less than eight feet wide from Kottagiri to Metapollium, at a cost of Rupees 44,930, will be submitted for the sanction of Government.

2. The lower half of the Kottagiri ghaut now in existence is the rough bed of a mountain torrent, and a road is much needed by which the Kottagiri planters can send their produce to the plains and obtain supplies. Captain Morant states that the planters have agreed to subscribe Rupees 1-8-0 for each acre cultivated by them towards the cost of the road.

3. The project was discussed in Board's Proceedings, dated 16th December 1871, No. 5,063, and the papers submitted therewith.
