Proceedings of the Madras Government, Financial Department,
1st May 1872.

No. 17. Read the following Proceedings of the Board of Revenue, dated 10th April 1872, No. 573 :—

Read the following letter from W. M. CADELL, Esq., Acting Collector of Tanjore, to the Secretary to the Board of Revenue, dated 13th March 1872, No. 107:—

ABSTRACT.—Reporting on the preliminary steps taken for the formation of Educational Unions, and requesting to be provided with a Covenanted Assistant or an able Deputy-Collector whose services may be solely devoted to this task.

SUBMITTED to Government, with reference to G. O., dated 10th February 1872, No. 149.

2. Proposals for forming 55 Unions in the Tanjore Circles, viz., 33 in Tanjore and 22 in Negapatam, are almost matured.

3. Some progress has been made in the collection of the necessary statistics with regard to 11 more Unions which the Local Board intend to form in the Tanjore Circle.

4. Orders have been issued to make inquiries regarding 149 other sites which have been proposed for Unions, viz., 48 in Tanjore and 101 in Negapatam.

5. In all these cases an important village is fixed on as a proper centre for a Union. Then, villages within $2\frac{1}{2}$ miles of it are clubbed with it, the houses are classified, and the tax estimated.

6. Nothing is said as to any general scheme of Unions into which those now proposed will fit.

7. It has not been found possible, as yet, to collect and compile the information with regard to the present state of elementary education which has been called for by Government.

8. The Board concur with the Collector that it will be impossible in so important and busy a district as Tanjore for the Divisional Officers to elaborate a general scheme of Unions and investigate existing Elementary Schools in addition to their usual work. If possible a Special Assistant or Deputy-Collector should be appointed to do this duty.
